

MANITAL, azienda di maniglie in ottone per porte e finestre, nasce nel 1990 in provincia di Brescia. Nel 2004 inaugura un nuovo stabilimento a Gavardo, sempre in provincia di Brescia, sede degli uffici e della produzione.

La strategia aziendale, portata avanti fino ad oggi dal titolare, Luigi Bigoloni, è quella di abbinare design e produzione 100% made in Italy per offrire estetica, innovazione e qualità.

MANITAL garantisce la cura personalizzata di ogni pezzo, la qualità dei materiali impiegati e l'utilizzo delle tecnologie industriali più avanzate.

Il design dei modelli nasce in collaborazione con architetti e designer affermati: Doriana e Massimiliano Fuksas, Sottsass Associati, Pedrizzetti Associati, Maurizio Giordano e Roberto Grossi, Davide Mercatali, Valentina Downey, Itamar Harari, Studio Hot Lab, Mario Mazzer.

MANITAL è cresciuta e si è espansa sui mercati internazionali: oltre alla controllata in Polonia e alla collegata in Spagna, l'azienda è presente in Europa, in Russia, in Australia, Canada, Usa, Paesi Arabi, India, America Latina, Sud Africa e in molti altri paesi.

MANITAL ha un ricco catalogo di proposte (60 serie di maniglie in varie finiture per 600 diverse possibilità di prodotto).

Premi e riconoscimenti:

Nel 2007 è stata inclusa tra le 150 aziende premiate da Confindustria con l'"Awards for Excellence" nella categoria "Impresa campione del Made in Italy nel mondo".

Nel 2008 il rapporto Eurispes l'ha collocata tra le 100 eccellenze italiane.

Le maniglie "Dots" e "Carmen" hanno ottenuto l'International Design Awards (USA) rispettivamente nel 2008 e nel 2010.

La maniglia "Alamaro" nel 2011 ha ottenuto il Good Design (USA).

Nel 2008 ha ottenuto la Certificazione di Qualità ISO 9001.

MANITAL was born near Brescia, Northern Italy, in 1990 to manufacture brass door and window handles. In 2004 a new plant was opened in Gavardo, also near Brescia. This new building houses both Manital's offices and production plant.

The Company's strategy, which has been strictly pursued till the present day by the founder Luigi Bigoloni, is to couple 100% Made in Italy design and production so as to combine aesthetics with innovation and quality. Manital ensures that each single product is manufactured with the utmost care employing only the best materials and with the help of the most sophisticated industrial technologies.

The design of Manital products comes as a result of our collaboration with internationally renowned designers and architects such as Doriana and Massimiliano Fuksas, Sottsass Associati, Pedrizzetti Associati, Maurizio Giordano e Roberto Grossi, Davide Mercatali, Valentina Downey, Itamar Harari, Studio Hot Lab, Mario Mazzer.

MANITAL has been able to develop and expand its international markets: in addition to a subsidiary in Poland and an associated company in Spain, the company is present throughout Europe, Russia, Australia, Canada, USA, the Arab countries, India, South America, South Africa and many others.

MANITAL's extremely wide catalogue comprises 60 ranges of handles in a wide variety of finishes with a total choice of 600 products.

Awards:

In 2007 it has been included in the shortlist of 150 companies honoured by Confindustria's Awards for Excellence in the category of "Impresa Campione del Made in Italy nel mondo" (leading company in the Made in Italy worldwide).

In 2008 the Eurispes report has put it among the 100 Italian Excellences.

"Dots" and "Carmen" handles were granted the USA International Design Awards in, respectively, 2008 and 2010.

In 2011 "Alamaro" obtained the USA Good Design.

In 2008 MANITAL obtained the ISO 9001 Quality Certification.

ULTRA SLIM INNOVATION

ROSETTA CLASSICA

ROSETTA USI

La rosetta Ultra Slim Innovation è un'innovazione tecnica e formale che può essere applicata a tutta la gamma dei prodotti Manital. Il design ultra sottile e minimale esalta le qualità estetiche della maniglia e della porta; la rosetta USI è l'unica ad avere la molla di ritorno che permette, in soli 3 millimetri, la perfetta apertura e chiusura della porta.

È possibile scegliere tra le varie finiture in catalogo e tra la variante tonda e quadrata. La rosetta Ultra Slim Innovation è un modello "patented".

The "Ultra Slim Innovation" rosette is a technical and formal innovation that can be applied to the entire range of Manital handles. The ultra-slim and minimal design enhances the aesthetic qualities of the handle and the door; the USI rosette is the only one that has a return spring that enables the perfect opening and closing of the door in just 3 millimetres.

To enhance the rosette, there is the possibility to choose among the various finishes in the catalogue and the square and round version. The Ultra Slim Innovation rosette is a "patented" model.

CONDIZIONI GENERALI DI VENDITA

PREZZI

I prezzi indicati nel listino vigente si intendono I.V.A. esclusa. Si intendono franco fabbrica e al netto di ogni spesa accessoria. Sono espressi in Euro e potranno essere modificati in qualunque momento senza preavviso. I prezzi di vendita sono quelli del listino in vigore al momento dell'atto di acquisto da parte del cliente con l'applicazione degli sconti concordati in sede di negoziazione. Eventuali errori di stampa del listino non costituiscono motivo di contestazione.

SPEDIZIONI

La merce viaggia in ogni caso a rischio e pericolo del committente. In assenza di precise istruzioni circa il mezzo di inoltro della merce le spedizioni sono eseguite nel modo ritenuto più idoneo ed economico senza nessuna responsabilità della Casa.

ORDINI

Tutti gli ordini devono essere inoltrati utilizzando codici e descrizioni corrette di quanto richiesto.

Gli ordini sono accettati solo se trasmessi via fax o per posta elettronica. Ogni ordine è comunque subordinato all'approvazione della Casa.

CONSEGNA

I termini di consegna hanno valore indicativo. Pertanto gli eventuali ritardi di consegna, qualunque ne sia la causa, non potranno dare luogo a pretese di risarcimento di danni nè alla risoluzione del contratto. La merce si intende consegnata e venduta franco ns. stabilimento. Il destinatario ha il dovere di controllare la merce in arrivo e verificare i colli prima del ritiro assicurandosi della loro integrità: in caso contrario eventuali reclami devono essere rivolti direttamente al vettore anche se la merce viaggia franco destino e fare pervenire alla MANITAL srl la documentazione relativa.

RECLAMI

Dal giorno della consegna, non pervenendo osservazioni scritte negli 8 giorni successivi, decade la possibilità di effettuare dei reclami. Nessun articolo può essere reso senza preavviso e comunque senza esplicito benestare della MANITAL srl. I resi da noi autorizzati dovranno pervenire presso il ns. stabilimento accompagnati da regolare documento di trasporto riportante la codifica esatta dell'articolo e gli estremi della fattura di acquisto.

PAGAMENTI

Devono essere effettuati direttamente a domicilio della ns. sede o mediante estinzione di nostre ricevute bancarie entro la scadenza concordata. Eventuali ritardi comportano il conteggio degli interessi di mora. Il mancato pagamento da parte dell'acquirente di una o più fatture di scadenza dà alla MANITAL srl la facoltà di sospendere l'esecuzione degli ordini in corso.

ARTICOLI

Ogni variante rispetto agli articoli a listino è da considerarsi prodotto speciale per il quale, di volta in volta, è necessario richiedere fattibilità, quantità minima e prezzo. La fornitura di prodotti speciali a richiesta è subordinata all'accettazione da parte del committente della relativa conferma d'ordine.

La Casa si riserva il diritto di apportare modifiche agli articoli e variazione dei prezzi senza preavviso.

CONTROVERSIE E RISERVATO DOMINIO

Per qualunque controversia è competente il Foro di Brescia. È concordato il patto di riservato dominio a favore del venditore sino al completo pagamento della fattura.

PRICES

All prices in the current price list are ex-our Factory and they do not include V.A.T and other miscellaneous costs (such as transport, packaging, etc.). Prices are expressed in Euro and can be varied without notice. The applicable selling prices are the ones stated in the current price list at the time of ordering, and are subject to the discounts agreed between the parties during the negotiations.

Possible printing errors in the current price list shall not represent a cause for claim.

CONSIGNMENTS

The goods travel at the customer's own risk and peril. In the absence of clear instructions relative to the means of transport, consignments will be done by the means of transport considered to be the most appropriate, without any responsibility of MANITAL.

ORDERS

All Purchase orders shall bear the correct article codes and description of the requested items, and will be accepted only if forwarded by fax or e-mail. In any case every order shall be subject to the approval and acceptance of the Supplier.

DELIVERY

The delivery time shall be purely an indication, and as such, any delay in the delivery shall not constitute a cause for claim or for the contract cancellation. The goods shall be considered sold and delivered ex-our Factory. The Consegnee shall check the goods upon their arrival to its premises and verify the good condition of the packaging. In case of any damage to the packaging, the Consegnee shall submit the necessary reservation and claim to the carrier, and send copy of the relevant documentation to the Supplier.

CLAIMS

Claims should be lodged within 8 (eight) days from receipt of the goods. No goods can be returned without notice and in any case without express consent of the supplier. The returns authorized by MANITAL shall be sent to our address, accompanied by a delivery note stating the exact item code, as well as the date and number of the relevant sale invoice.

PAYMENTS

All payments shall be made directly to MANITAL within the agreed terms and maturity dates.

In case of delays in the payments due, interests on arrears will be charged. Furthermore the non-payment of one or more due invoices will entitle the Supplier to delay or cancel the orders in hands.

PRODUCTS

Any variant required on the products listed in the price list, will be looked at as a "special request", and MANITAL should be asked first about the feasibility, price and minimum quantity required.

The supply of "special product" shall then be subject to the customer's acceptance of the order acknowledgement. MANITAL shall have the right to modify the products and vary the prices without notice.

CONTROVERSY AND PROPERTY RIGHTS

For any dispute arising in connection to these sales conditions the place of jurisdiction is the Court of Brescia. It is hereby agreed that the Supplier shall have the property right over the goods sold till they are fully paid for by the customer.
